

Waste Receptacles

Compact, Durable Collection for Streamlined Facility Waste Management

These 7-gallon rectangular containers deliver reliable daily performance across offices, classrooms, labs, and light-industrial environments. Molded from tough, easy-clean resin, each unit fits neatly under desks or in tight spaces while maintaining structural rigidity under routine use. The recycling model features high-visibility blue coloration and a clear universal symbol for compliant source separation.

Durable, Space-Efficient Design for Dependable Waste Handling.

Product Features

- **Durable Resin Build** – Sturdy polypropylene resists dents, moisture, and routine chemical exposure
- **Maximized Capacity** – Straight-wall profile delivers full 7-gallon volume in a compact footprint
- **Reinforced Rim** – Rolled rim increases strength and provides a secure grip during emptying
- **Easy-Clean Interior** – Smooth walls support fast, residue-free maintenance
- **Liner Compatibility** – Fits standard 7–10 gallon liners for efficient stocking
- **Color-Coded Options** – Black for waste, gray for general use, blue for recycling with printed symbol

Product Specs

Part No.	RMW2000BLK	RMW2001GR	RMW2003BL
UPC	810154963034	810154963058	810154963041
Color	Black	Grey	Blue
Material	Polypropylene		
Size	7 Gallon		
Weight per Unit	1.54 LBS		
Packaging	10 Pcs/Case		
Case Dimensions	(LxWxH) 14.96 x 11 x 25 in		
Case Weight	17.64 LBS		

Multi-Applications

Hospitality and Food-Service Prep Areas

Corporate and Administrative Offices

Education Facilities and Libraries
